

ALROUYA
Integrated Company

AlRouya Integrated Company

AlRouya Integrated Company has been a trusted name in الكويت since 2010, delivering innovative shading, sun protection, and outdoor living solutions for residential, commercial, and government projects.

About us

With over 15 years of experience, the company specializes in the design, engineering, and installation of premium products including car parking shades, retractable roofing systems, pergolas, awnings, umbrellas, WPC decking, tensile structures, wood-finish aluminum solutions, and solar energy systems. Every project is carefully crafted to suit Kuwait's unique climate and architectural requirements while combining durability, functionality, and modern aesthetics. AlRouya is committed to using high-quality materials and advanced construction techniques to create stylish and long-lasting spaces. Through partnerships with leading international brands that follow European and DIN standards, the company brings world-class quality, innovative designs, and reliable performance to every project across Kuwait.
